emMY matters

International Nurse's Day was celebrated with pride at Emmy Monash on Friday 11th May. Our dedicated Clinical Care Team are the committed quiet achievers of our organisation. We all rely on their dedication, professionalism and teamwork to achieve extraordinary care of our residents. It was great to share in a beautiful morning tea to recognise their level of excellence, compassion and loyalty. It is good to take a moment from our busy schedules to reflect on the care our Clinical Team delivers 24 hours a day and express our appreciation.

I will be attending the Eldercare Innovations Awards and Conference this week with Tanya Abramzon in Singapore. This will include delivering three separate presentations to the Asia Pacific judging panel for our shortlisted submissions highlighting Best Ageing Programs and Gandel House. It is an honour to represent Emmy Monash, knowing the programs, care, sense of community and facilities all complement each other and lead to successful outcomes for our residents. Through planning, collaboration and best practice, we are achieving advanced outcomes, recognised by international industry leaders. We will share the news of these presentations when announced.

MELBOURNE RECITAL CENTRE

We were delighted to have Melbourne Recital Centre Coco's Lunch perform two concerts at Emmy in the Alter Family Function Room and Lewinsky Plaza. Our residents were treated with captivating live performances and stunning vocal harmonies from this highly talented cappella group. The highlight of both concerts was the audience participation whereby many residents participated by playing various percussion instruments.
